Accomplishments

- Completed the Collections Working Group Strategic Plan as a document to provide direction for CWG activities. The revised Scope of Work statement received approval from the CARLI Board.
- Monitored progress of previous Collections Enhancement Awards Program funded projects. Preliminary reports for FY2009 and final reports for FY2008 projects were posted to the CARLI website.
- Facilitated the FY2010 Book Digitization Initiative by soliciting and reviewing proposals. The submission process was revised to encourage participation through rolling deadlines and quarterly review. Webinars were developed to provide information about the program and to assist in the application process.
- Offered informational webinars to promote use of institutional data collected in *I-Share Monograph Collection Assessment* (FY2009 Access & Analysis funded project)
- Created *Tutorial on Using the Materials from the CARLI Book Digitization Initiative* to promote the Book Digitization Initiative and use of digitized materials
- Initiated *Digitized Book of the Month* on the CARLI blog to promote the Book Digitization Initiative and use of digitized materials
- Organized Spring Forum: *Spring into Assessment* held at the Illinois Institute of Technology in Chicago
- Provided input to the Collections Enhancement Awards Program Evaluation Task Force. Mary Konkel and John Dorr represented the Collections Working Group as members of the Task Force.
- Partnered with the E-Resources Working Group to plan for a streaming video workshop to be held Summer 2010
- Created the Collections Resources Clearinghouse as a repository for collection development papers, guidelines, standards, presentations, and best practices

Future Objectives

- With E-Resources Working Group, sponsor Streaming Video Workshop
- Develop webinars based on *Spring into Assessment* Forum presentations
- Continue the development of the Collections Resources Clearinghouse
- Promote and facilitate the Book Digitization Initiative program to maximize resources
- Provide leadership in exploring new directions for cooperative collection development in the consortium
