

Consortium of Academic and Research Libraries in Illinois
Bylaws
Adopted December 2006
Revised By Vote of the Membership June 2008
Revised By Vote of the Membership December 2009

1. Organization.

The name of this organization shall be The Consortium of Academic and Research Libraries in Illinois (hereinafter referred to as CARLI or “The Consortium”). CARLI is an unincorporated association, with the University of Illinois acting in the capacity of fiscal and contractual agent under a memorandum of understanding with CARLI.

2. Mission.

The Consortium leads Illinois academic libraries to create and sustain a rich, supportive, and diverse knowledge environment that furthers teaching, learning, and research through the sharing of collections, expertise and programs.

3. Membership.

All higher education institutions in Illinois that are recognized by the Illinois Board of Higher Education and that are members of the ILLINET network are eligible for membership in CARLI. To ensure the effective operation and management of the Consortium, the Board of Directors may establish additional criteria for membership, including but not limited to criteria that apply to libraries that serve for-profit academic institutions.

Libraries serving cultural and research institutions with missions that complement and enhance CARLI’s primary service to academic libraries may petition for membership. The Board of Directors will establish the form of the petition and the criteria for its evaluation. The Board of Directors will act on petitions for membership in the best interest of the Consortium.

There will be two categories of membership: Governing and Affiliate. To become a member, an institution must sign the CARLI Membership Agreement. Members will pay an annual fee to be determined by the Board of Directors of CARLI and will be eligible to access products, services, collections, and development offered by the organization. The Board of Directors will determine which specific services may be offered to each membership category. The Board of Directors may establish differential fees for member libraries that serve for-profit academic institutions. Member libraries that serve for-profit academic institutions may be contractually excluded from products and services offered by and through CARLI.

Each institution participating in the I-Share integrated library management system must maintain a Governing membership. An institution that is accepted for participation in I-Share must hold a Governing membership prior to beginning implementation of the system.

The Board may require an institution to be a Governing member in order to obtain access to other systems and services or to participate in programs, as it deems appropriate.

4. Voting Rights.

Each Governing member of CARLI will be entitled to one vote on each matter submitted to a vote of the entire membership. The director¹ of each Governing member library shall be the voting representative for CARLI.

5. Membership Responsibilities.

While individual member libraries retain autonomy over their own operations, participation in a consortium requires collaboration and commitment to the consortium. As a consideration for acceptance and continuation of membership in CARLI, members must agree to abide by the terms and conditions of the CARLI Membership Agreement and any other subsidiary agreements governing participation in a specific CARLI service.

6. Changes in Membership Categories.

- a. A member institution may change its membership level effective on the first day of the next fiscal year (July 1). Changes in membership category are subject to the restrictions of Section 3 of the Bylaws. Such a change requires submitting a new, signed CARLI Membership Agreement no later than June 1 (30 days) prior to the effective date of the proposed change in status.
- b. When a member institution changes membership levels, the institution is eligible for services offered to members of the new membership level.

7. Termination of Membership.

- a. Any member may resign its membership in the Consortium by notifying the CARLI Executive Director in writing by December 31. Termination of membership takes effect on June 30 (6 months) following the member institution's notification of intent to terminate. The terminating institution is, and will continue to be, responsible for any financial obligation incurred during its entire membership period.
- b. The Consortium may terminate a member of the Consortium for cause with written notice by December 31. Termination of membership takes effect on June 30 (6 months) following the Consortium's notification of intent to terminate. The terminated institution is and will continue to be responsible for any financial obligation incurred during its entire membership period.

¹ A library's director is defined as the person who is operationally responsible for the staff, services, and budget of the library. Titles of eligible individuals include, but are not limited to Director, Dean, Chair, or Head Librarian.

8. Relationship to the Host Institution.

Committees and task forces will assist the staff in the development, implementation, operation, and evaluation of programs and services, provide the Board with advice and recommendations related to policy, management, fiscal, and on other matters that require the Board's attention.

The Finance Committee provides the Board of Directors with recommendations related to annual budget requests, the annual budget, the annual financial performance report, and any other financial matters that require the Board's

attention. The Finance Committee is composed of four Board members, one from public institutions, one from private institutions, one from community colleges, and one at large. The Past Chair is the chair of the committee.

The Personnel Committee provides the Board of Directors with recommendations and input into the recruitment, compensation and evaluation of performance of the Assistant Vice-President/CARLI Executive Director.
