

Institutional Acknowledgement
SFX Software License and Instance Installation Fees

I _____, acting on behalf of _____, acknowledge
name institution

- that the Consortium of Academic and Research Libraries in Illinois (CARLI) will send an invoice to my institution for the fee associated with the installation of SFX software.

This fee will cover a one-time charge for the SFX software license fee.

Software license fee amount will be provided in a price quote sent to my institution prior to licensing and installation of SFX software.

Price quote already received? (Yes/No) _____

Indicate price quote amount: _____

Name of individual who provided quote: _____

- that the CARLI Board of Directors will evaluate all associated SFX costs and may assess a service fee to institutions for SFX use beginning July 1, 2008.

- that if my library opts for one of the Ex Libris extended service packages, an additional cost will apply:

JumpStart (for year one): \$3,500

TotalCare (for year two and following): \$2,500/year

- that the alternative to JumpStart/TotalCare is "Local Care," which requires training, and that libraries transitioning to Local Care after JumpStart or TotalCare must pay for an estimated three web training sessions or one day of on-site training at standard Ex Libris prices.
