CARLI Office had moved! Our new address is:

Welcome to new CARLI staff: CARLI welcomes Sarah Miller as a new, visiting staff member for 2008-2009. Sarah was previously faculty at the Illinois Wesleyan University Library.

Center for Research Libraries (CRL) Membership Subsidies

At its September meeting, the CARLI Board approved a partial subsidy for CARLI libraries interested in becoming members of the Center for Research Libraries. CARLI will subsidize 50% of the annual membership fee up to a maximum of \$2,000/year for a total of 2 years. More information about this program will be available at the Governing Directors Breakfast at the CARLI Annual Meeting on October 24 including a brief presentation by Melissa Trewett from the Center for Research Libraries.

Last Copy Pilot

CARLI is working with several large research libraries in the state including the University of Illinois at Chicago, University of Illinois at Urbana Champaign, Southern Illinois University Carbondale, Northwestern University, and the Newberry Library to develop a pilot project for last copy retention within the state.

E-Resources

Fall selection cycle for electronic resources will be open soon.

CARLI has recovered 63% of the library buy-in on our subsidized electronic purchases from the last two years. The products (Sage Deep Backfile, Women and Social Movements, Black Thought & Culture, Historical Statistics of the US, and Sage E-Reference Collections) are still available at prices heavily subsidized by CARLI.

CARLI RFPs

CARLI has released a Request for Proposal (RFP) for the purchase of an electronic resources management system. Upon successful completion of the RFP process, interested member libraries will be able to participate in the purchase.

CARLI has also released a Request for Proposal (RFP) for the aggregated journal database package currently provided to all CARLI members at no direct cost. The current contract with EBSCO Publishing expires in June 2009.
