## Discussions

1. Committee Organization for FY 2008 –
  - Introductions – new chair; new members
  - Chair – Wendy Shelburne (University of Illinois at Urbana-Champaign)
  - Meeting dates – **2nd Monday of the month; new time - 1:30pm to 3:00pm**
  - Priorities –
    - Licensing principles – task group to compile and review (Wendy, Sara, Jeff (Chris/Jeanette alternates))
    - Ebooks – great forum; **survey membership** regarding ebooks, subject areas, cost? Yes. What are likes and dislikes about ebooks? Liked the maximum annual pay that some offered; Springer very flexible;
2. Review of current proposals –
  - Deferred RCL/Bowker Book Analysis System until August meeting
  - Credo Reference (xreferplus) license is nearing completion
  - New offers to be discussed at next conference call to give members time to look them over.
3. SAGE Deep Backfile –
  - 28 schools participating to date
  - 60% central funds; 40% member contributions
  - One-time purchase so the offer to participate will remain open to CARLI members
  - Current content of backfile – preexisting titles (301); looks at current spending on Sage titles; premier collection only available through consortia; will go out as general announcement to membership
  - The group also discussed the Sage offer for site licensed access to current years, e.g. non-backfile and the rollout of that offer to CARLI members
4. Old business -
  - Any response to Portico membership? Direct through Portico; only being endorsed by CARLI
5. New business –
  - September 14, 2007 - new and past chairs invited to meet to share ideas/reports on what various groups/committees are doing
  - There was discussion regarding access to ABI/INFORM on the OCLC platform for FY2008 and

discussion regarding adding this database to the spring brokering cycle for FY2009.
