- Liaison Forum
- Add Copyright issues pending responses to Resource Sharing Forum

Suggestion from an individual at an I-Share member library to hold a Small Libraries Forum

- Some question about interest level/need
- Try listserv, blog, wiki options
- Does IUG need to be facilitator, include this as another area in forums, have opening session panel with representatives from all size groups, then afternoon discussions

- Consider adding Small Libraries as an Interest Group
- Possibly add to forums FY 08-09
