### **Agenda Discussion:**

- Copyright Forum—establishing legal framework for local policy is the best we can establish  
Suggestions on what program planning committee will fund, include copyright and multi-media, e-books, resource sharing, etc in a workshop or series of workshops. Establish an Ad Hoc committee through call for assistance; Sarah and Paige will send a call for volunteers email through announce list.
- Small Libraries—Two subscribers to the Small Library list, needs more participants/publicity
- Letters of Recognition—include mentors for volunteering, team members and presenters, Larissa will send out letters
- I-Share Library Liason Forum- March 18 at IWU  
Stephen and Carlos will work on a format and try to draft an agenda for this forum
- Kris Hammerstrand: ILDS—The State Library reminds that according to law, anything that can go through the US Mail should go through the US mail (returned overdues in an envelope, etc). In the future, CARLI recommends that we use email as much as possible.
