CARLI Board Report:

- Board revised Resource Sharing Code Team, looking at UB policies and possible standardization "Maximize access, minimize barriers" with preliminary report at March CARLI Board meeting
- ILDS project going well, increase of bags in the system will help
- SSL change—implementing secure transmissions problems including outside vendors like SFX and FirstSearch
- WorldCat Local: still working with pilot sites
- Renegotiating WebFeat contract
- Next meeting will discuss whether continue to add I-Share libraries next year

Team Reports:

- Acquisitions & Serials Team reported by Carlos Melian
    - ERMS recommendation document approved and will be sent to Product and Services Vetting Committee
    - Looking at survey of Serial Acquisitions Client use
- Cataloging and Authority Control Team (Stephen Smith absent)
- Resource Sharing Team reported by Sarah Mc-Hone Chase
    - ILDS has listserv and webcast
    - Resource Sharing Forum April 16 will focus on statistics and VuFind demo
- Instruction Team reported by Lorna Engels (CARLI)
    - Team working as subgroups on Forum and Tutorials
- OPAC Team reported by Tom Goetz
    - Testing the OPAC testing script with deadline March 14th

CARLI Office report:
    VuFind early adopters meeting included demo; implementation may be delayed
    New Libraries on schedule to join, training starting

Agenda Discussion:

- Liaison Forum: March 18th

- Debbie Meyers requests definition of 'Rapid Tour' of circulation.
    - What a liaison who is not a circ person needs to know; for example, upcoming conversations about loan periods for UB reg/long. Liaison is primarily a communication position.
- Public Services Working Group update
- E-journals and Electronic resources that might not be catalogued in I-Share. Serial Solutions can catalog and put in WorldCat. This issue might be bigger than I-Share/CARLI!
