1. Welcome to Meg Miner from Illinois Wesleyan University. Meg is replacing Nat Wilson.
2. Confirm Laurie as minutes taker.
3. The minutes from the February 17 meeting were approved.
4. Subcommittee Reports
 - a. Interface (Ellen)

After looking at new web interface with CONTENTdm 5 the committee decided the topic and media categories needed to be defined further. They are working on a draft document on this topic.
 - b. Standards (Eben)

The subcommittee is still working on a draft of the video digitization guidelines. Document should be ready for the subcommittee's April 15 meeting, and, after approval, will be submitted to the DCUG at the April 21 meeting.
 - c. Digital Preservation (Ellen)

The white paper submitted to the Products and Services Vetting Committee last week. This subcommittee's work is completed.
5. **Forum planning update**

Speakers are in place. Location will be Kankakee Community College on July 15. Everyone who was a contact for a speaker needs to reconfirm with their speaker contacts. Ellen wondered if the final panel needs a moderator; Ellen will follow up with other panelists and develop a plan for this session. A save the date message needs to go out to CARLI members, which the CARLI office will send out. Eben asked if we needed some text for this message and Jessica suggested a catchy title would be good to have. It was agreed that if we have title and message text by the next meeting in April we could send out the registration message in May.
6. New business: There was no new business.

Next meeting: April 21, 2010, 10 am.
