# Citations in Primo VE

The screenshot shows the Primo VE interface for an article. On the left is a navigation menu with links for TOP, TOOLS, DETAILS, VIEW ONLINE, and CITATIONS. The main content area displays the article title "Detection and Resolution of Rumours in Social Media: A Survey" by Zubiaga, Arkaitz; Aker, Ahmet; Bontcheva, Kalina; Liakata, Maria; Procter, Rob. Below the title is a quote: "Despite the increasing use of social media platforms for information and news gathering, its unmoderated nature often leads to the emergence and spread of rumours, i.e...". There are icons for PEER REVIEWED and OPEN ACCESS, and a link for Available Online. A "Tools" section contains icons for REPORT A PROBLEM, QR, PRINT, CITATION (highlighted), PERMALINK, and EMAIL. Below this, a citation box shows the citation in MLA (9th edition), APA (6th edition), and Chicago/Turabian (16th edition) formats. A "COPY CITATION TO CLIPBOARD" button is located below the citation box. At the bottom, a reminder states: "Remember to check citations for accuracy before including them in your work".

# Managing citation styles

- PrimoVE supports APA, MLA, Chicago/Turabian, and Harvard out of the box
- Citation styles are generally kept up-to-date, but labels are not updated (known issue)

# Working with existing citation styles

- Must have Discovery Administrator role
- Alma configuration > Discovery > Other > Citation Styles

Configuring: Joliet Junior College (JOL) — Joliet, IL

### Citations Styles List

# Working with existing citation styles

- Must have Discovery Administrator role
- Alma configuration > Discovery > Other > Citation Styles

The screenshot shows the Alma configuration interface for Citation Styles. The top navigation bar includes the Alma logo and the text "Configuring: Joliet Junior College (JOL) - Joliet, IL". The main content area is titled "Citation Style" and contains a "Citation style details" section. The details section includes the following fields:

Field	Value
Code	modern-language-association
Label *	MLA (9th edition)
Order *	1
Enabled	True

At the top right of the configuration area, there are "Cancel" and "Save" buttons. The left sidebar contains navigation icons for Alma, Acquisitions, and Resources.

# Adding a New Citation Style to Primo V E

# Adding New Citation Styles

- Primo V E supports the open source Citation Style Language (CSL)
- The CSL project maintains a citation style repository on GitHub

# Adding New Citation Styles

- Go to the CSL GitHub repository at <https://github.com/citation-style-language/styles>

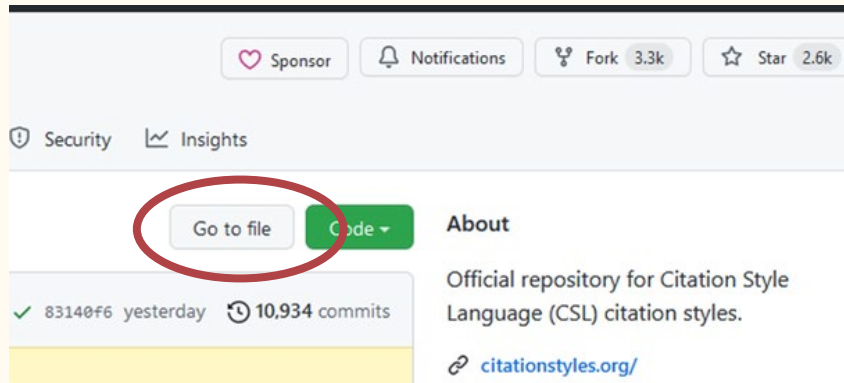

The screenshot shows the GitHub repository page for `citation-style-language/styles`. The repository is public and has 3.3k forks and 2.6k stars. The main content area shows a commit by `bwiernik` titled "Fix citation-format tag in BibTeX.CSL" from yesterday, with 10,934 commits. Below the commit, a yellow warning banner states: "Sorry, we had to truncate this directory to 1,000 files. 1,501 entries were omitted from the list." The file list includes:

File	Commit	Time
<code>.github</code>	Update sheldon.yaml	14 days ago
<code>dependent</code>	Liebert update (#6026)	24 days ago
<code>.gitignore</code>	Ruby 3.0.0 (#5309)	14 months ago
<code>.rspec</code>	Sheldon build details: report build details to Shel-bot (#4136)	3 years ago
<code>CONTRIBUTING.md</code>	Move content from wiki pages to markdown files (#5194)	15 months ago

The right sidebar contains the "About" section, which identifies the repository as the "Official repository for Citation Style Language (CSL) citation styles" and provides the URL `citationstyles.org/`. It also lists related topics like `bibliography`, `citations`, `hacktoberfest`, `csl`, `citation-style-language`, and `citation-styles`.

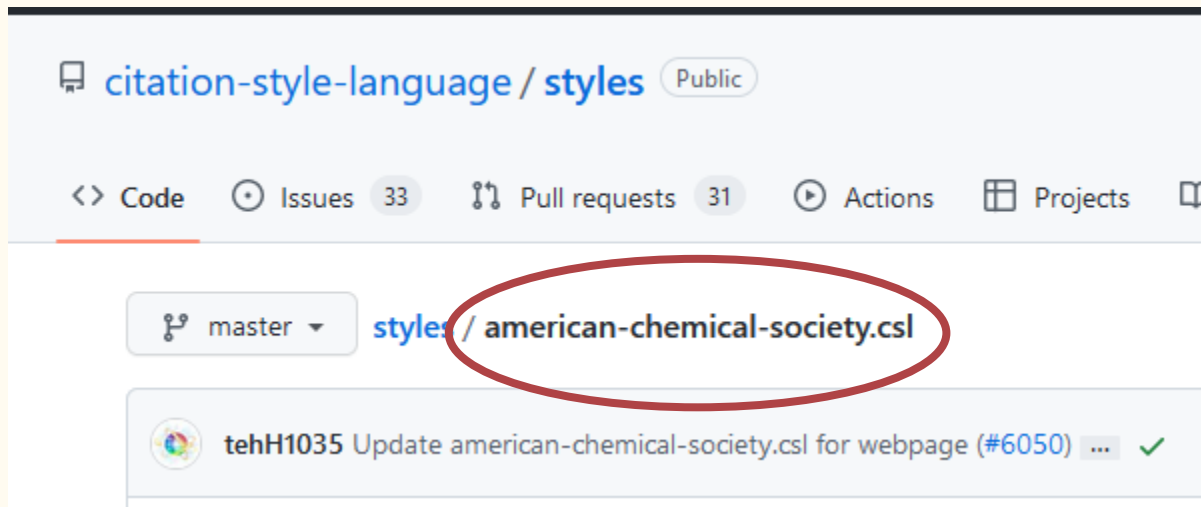

# Adding New Citation Styles

- Browse or search for a citation style by clicking “Go to File” and entering search terms in the search bar that appears.

# Adding New Citation Styles

- Once you find the citation style you want, copy the name of the style as it appears in the repository, but leave off the “.csl” suffix.

# Adding New Citation Styles

- In Alma, go to Alma configuration > Discovery > Other > Citation Styles and click “Add.”

# Adding New Citation Styles

In the pop-up box that appears, complete the following fields:

- **Code:** Paste the citation style name here that you copied from GitHub, ie. **american-chemical-society**
- **Label:** Describe how you want the citation style to display in Primo VE, ie. **American Chemical Society (ACS)**
- **Order:** Where do you want this citation style to appear in the list in Primo VE? Need to put last unless you adjust positions of other styles first. (Position must be unique. Cannot have two citation styles as “3” (or third position).
- **Enabled:** Set to “True” to activate the style in Primo VE.

# Adding New Citation Styles

Click “Add” to complete the set-up.

A screenshot of a web application interface for adding a new citation style. The interface is a modal dialog box with a white background and a red border. At the top right, there is a blue '+ Add' button and a share icon. The form contains the following fields:

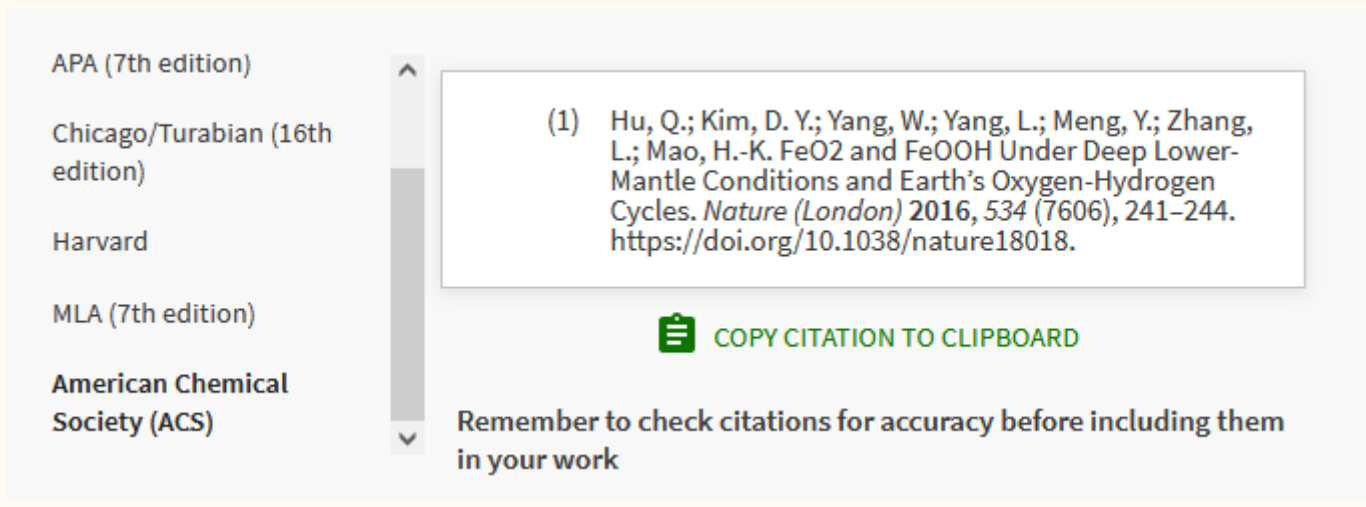

- Code \***: A text input field containing the value "american-chemical-society".
- Label \***: A text input field containing the value "American Chemical Society (ACS)".
- Order \***: A text input field containing the value "6".
- Enabled**: A dropdown menu with the value "True" selected.

At the bottom right of the form, there is a red "Add" button.

# Adding New Citation Styles

- Citation styles are active in Primo V E immediately after adding.
- Perform a search in Primo V E to view and test your new citation style.
