

## ELUNA Learns 2021: An Alma and Primo VE Training Opportunity for I-Share Library Staff

As in 2020, CARLI has purchased a block of registrations for the 2021 Ex Libris Users of North America (ELUNA) online webinar series, ELUNA Learns. These sessions will be recorded, and the recordings will be available for a year to those who register. These sessions are normally \$25 per person; the CARLI block will be available **free** to I-Share library staff on a first come first served basis while our supply lasts.

More information about ELUNA Learns is available at <https://el-una.org/meetings/eluna-learns-2021/>  
At the time of this writing, the course descriptions have not yet been posted.

**To take advantage of the CARLI purchase, please register through CARLI and not on the ELUNA website.**

CARLI will process your registration with ELUNA. ELUNA will follow up with two emails to you-a registration confirmation (you may ignore the text about how to pay for your registration) and you will receive a second email from ELUNA with the webinar access credentials (these will be sent approximately 1 day before sessions in the future). Please note that ELUNA's policy is that these registrations are for one individual only and are not for group use.

**To register: complete this form, attach to email, and send [support@carli.illinois.edu](mailto:support@carli.illinois.edu), with "ELUNA learns" in the subject line. Please complete a separate form for each person registering.**
