• Connect institutions that have similar interests/needs by providing opportunities for interaction and collaboration

Strategic Priorities: https://www.carli.illinois.edu/about/priorities
The CARLI Strategic Priorities:

• How can CARLI best reflect social justice in its priorities?

Specifically, how can CARLI:

• Foster programs, services, and initiatives that reflect the values of unique identities and experiences?
• Create an environment accepting of difference?
• Celebrate the differences that members bring to CARLI?
• Actively address issues of intolerance and insensitivity when they impact the consortium?
FY21 marks a time of great transition for CARLI and for academic institutions

- Alma and Primo VE are changing how we provide services.
- COVID-19 is affecting how campuses offer classes, access to library facilities and materials, and programming needs for CARLI member library staffs.
- Calls for action related to equity, diversity and inclusion must be addressed as we envision CARLI programming, services, and initiatives in 2021 and beyond.
FY21: In order to allow time to evaluate current committee structures and make recommendations for committees that reflect the changing landscape, the CARLI Board of Directors suspended open calls for committee volunteers for FY21. Current committee members were invited to extend their terms.

FY22: The established process to join committees will recommence. As necessary to transition to the new committee structure, FY21 committee members may have the option to continue their service on continuing or newly created committees.
• Year of challenges
• Year of opportunities
• Together we can strengthen CARLI
• What are the needs of the organization that can be best met by committee work?
• Consider: are there committees that do not currently exist that should be formed? Where is there overlap? Gaps?
• In FY21, each committee should actively discuss whether the group should continue, cease, combine, or split.
• Chairs come together in October/November to review.
• Finally, prepare draft report for Board on recommendations by December 1; final by March 1.
In order to have a final plan in time to complete the committee volunteer and selection process in Spring 2021:

- Each committee should prepare an initial report to the CARLI Board of Directors for review at their December 2020 meeting (due December 1)
- Final plan presented for approval at the March 2021 board meeting (due March 1)
- Annual committee projects may be suspended or continued in parallel with a focus on the committee’s future.
- In short, the committee’s project for the year can be its re-envisioning.
The Governance section of the CARLI website provides access to:
