# Collections Discovery at Illinois State University

- Relabeled to “Library Displays”
- Types of displays:
  - Virtual representations of materials on display in Milner Library
  - Virtual representations of pop-up libraries accompanying events around campus
  - Temporary online-only displays of curated materials related to a theme (e.g., materials purchased with collection enhancement grants)

# Updating Labels

- Menu link is updated in the Primo VE View (*Configuration > Discovery > Configure Views > Links Menu*)
- *Configuration > Discovery > Display Configuration > Labels > [table name] Collection Discovery*

## Library Displays

# Curating & Creating Displays

- Librarians and staff at Milner Library curate displays
- Discovery Services & User Experience Librarian manages the Primo VE collection
  - Responsible for the process in Alma/Primo VE, not the content
- Instructions shared via email and stored in library Teams site
  - Lists what can and cannot be included in a collection

# Process

- Staff must provide the following information no less than two weeks prior to the go-live date:
  - Title
  - Description
  - Cover image .jpg or .png less than 500kb
    - Will assist with locating an image in public domain when requested
  - Display Dates
    - Requirements based on type of display
  - Title List
    - Required info: either **Title + Permalink** or **Title + Barcode**

# Title List Processing

- Create sets based on MMS ID or barcode
- Process using Excel and notepad++
- For MMS IDs, isolate permalinks and save as .txt; open in Excel delimited by “/” - find and replace to remove “alma”
- Let’s see a live demo...

# Uploading MMS IDs/Barcodes as Sets

- Admin > Manage Sets > Create Itemized Set
- Content type either “All Titles” (MMS IDs) or “Physical Items” (Barcodes)

The screenshot shows a web form titled "Itemized Set Details" for creating a new set. The form is divided into several sections:

- Set name\***: A text input field containing "Games Month Display".
- Description**: A text input field with a placeholder "Enter description".
- Note**: A text input field with a placeholder "Enter note".
- Set content type**: A dropdown menu currently set to "All Titles".
- Set type**: A dropdown menu set to "Itemized".
- Content origin**: A dropdown menu set to "Institution only".
- Private**: An unchecked checkbox.
- Active**: A checked checkbox.
- Add items to set**: Three radio buttons: "From search" (unchecked), "From file" (checked), and "From analytics" (unchecked).
- File upload area**: A dashed border box containing the text "Drop a file or [Upload file](#)".
- Footer**: An information icon followed by the text "The maximum allowed file size is 10 MB." and two buttons: "Cancel" and "Create".
