Large and Small Libraries

"FMI is a great way to access the Illinois resources and be able to help each other out - and be able to **bring what we have... to other libraries** that maybe don't have those kind of resources."

Standalone and Consortial Libraries

“...gives us the benefits and resource sharing that the other consortia can get **without giving up our local control.**”

Non-Public Libraries

- Great for access to popular materials
- K-12 schools are signing on at a fast pace
- Old Town School of Folk Music
- UIC is lender-only

Currently Exploring...

- Verso ILS software for nonautomated and under-automated libraries
- InterSystem Sharing Initiative (ISSI)

Now is the best time to join!

- No setup fees for libraries that join by December 31, 2023
