December 14, 2023 Open Office Hours – "Lab Reports"

Please consider sharing an informal presentation or demonstration!

Example topics include:

• How your institution features or manages New Books
• Using generic Alma User accounts for circ desk workers/workstations
• How your library does inventory
• Setting up EDI with a specific vendor

Send in your topic to support@carli.illinois.edu by 5pm, Monday, November 6, to claim your "Lab Reports" time slot. Thank you!

Springshare LibGuides A-Z List + Primo VE Integration

- Lindsey Skaggs (Illinois State University) and Colin Koteles (College of DuPage) will discuss and demo integrating a Springshare LibGuides A-Z list in Primo VE.

- Instructions are available on the CARLI website's Shared Documentation Depository page: https://www.carli.illinois.edu/products-services/i-share/i-share-documentation/shared-documentation

How to Improve "View Online" or Linking to Full Text Options in Primo VE: Part I

Display Logic Rules

- Use to show fewer full text options/to declutter

- Can prioritize e-collections or interfaces

- Order matters for Display Logic Rules

Display Logic Rules

Display Logic Rules

- Add a rule like:

- Use to show fewer full text options

- Let's look at "Display Logic Rules for Electronic Resources" documentation and more examples
- See also Alma/Primo VE documenation

Display Logic Rules To Consider

- Prioritize more reliable Open Access sites
  - Example: Publishers over aggregators

Edit Rule

For user from groups	
hide service *	Full Text
with	Electronic collection
with value *	Directory of Open Access Books(DOAB Directory of Open Access Books) OAPEN Free
if service exists	Full Text
with	Electronic collection
with value *	Project MUSE Open Access Books

- Prioritize less expensive e-collections
  - Example: Copyright Clearance House Document Delivery – pay per article.

For user from groups	
hide service *	Full Text ⊗
with	Interface
with value *	CCC Get It Now ⊗
if service exists	Full Text ⊗
with	Interface
with value *	EBSCOhost ⊗ Elsevier ScienceDirect ⊗ Ovid ⊗ Oxford University Press ⊗ ProQuest ⊗

For user from groups	
hide service *	Full Text ⊗
with	Interface
with value *	CCC Get It Now ⊗
if service exists	Open Access ⊗
with	
with value	-

- Remember: Order Matters in Display Logic Rules
- Example: applies #13   before #14

Left panel (Rule #13):

For user from groups	
hide service *	Full Text ⊗
with	Electronic collection
with value *	EBSCOhost Academic Search Complete ⊗
	EBSCOhost Criminal Justice Abstracts with Full Text ⊗
	EBSCOhost Health Source Nursing Academic Edition ⊗
	EBSCOhost Social Sciences Full Text ⊗
if service exists	Full Text ⊗
with	Interface
with value *	ProQuest ⊗

Right panel (Rule #14):

| For user from groups	
hide service *	Full Text ⊗
with	Electronic collection
with value *	EBSCOhost Criminal Justice Abstracts with Full Text ⊗
	EBSCOhost Health Source Nursing Academic Edition ⊗
	EBSCOhost Social Sciences Full Text ⊗
if service exists	Full Text ⊗
with	Electronic collection
with value *	EBSCOhost Academic Search Complete ⊗

- Remember: Order in Display Logic Rules in Fulfillment Configuration Matters.
  - Example: applies #13 before #14
